FOR IMMEDIATE RELEASE

COUNTY SUPERVISORS APPROVE RIALTO ROAD REPAIRS

(San Bernardino, CA) The County will improve many of Rialto's roads this summer.

The San Bernardino County Board of Supervisors approved a contract with All American Asphalt, Inc. to perform needed road repairs in the Rialto area that will encompass over 4 miles of repair.

The existing asphalt pavement on various roads in Rialto has deteriorated and is in need of various types rehabilitation.

Minor surface cracking on portions of Brampton Ave, Cactus Ave., Easton Street, Fillmore Avenue and Lurelane Street will be slurry sealed. Slurry sealing is a protective oil and sand layer that extends the life of the road for 2 to 5 years.

Roads with more serious repair needs will receive pavement overlays. Portions of Aspen Street, Church Ave, Easton St., Fontlee Lane, Hawthorne Ave, Hollis St, Manzanita Drive, Montrose Street Orange Ave, Orchard Street, Palm Ave., Riverside, Sequoia, silver Street, Tahoe Street, Wisteria Street, Wisteria Ave. and Yucca will be repaired. Other sturdier pavement overlay projects will be done on Banyan Street and Lilac Ave. These overlay projects will extend the life of the roads for 3 to 15 years.

Full road rehabilitation will be done on portions of Banyan Street and Lilac Ave. extending the life of those roads for 10 to 15 years.

The cost of this project will be \$188,816. To help subsidize this project gas tax money and Measure I funds will be used. The 5th District is determined to have the taxpayers dollars at work.
